SECOND HAND UNIFORM SALE
ARRANGED BY THE PTA

The PTA arrange frequent second hand uniform sales during term time when parents have an opportunity to purchase uniform that has kindly been donated to the school for fundraising. Please keep in touch with your PTA representatives and school office for details on these events.

We accept donations of uniform that is still in good condition and ready for resale. Please do not donate items that are soiled, tattered or stained as we can not make use of these.

Please note that we often work on a trust system. If you have received uniform from the school office/ PTA representative outside of the second hand sale and asked to make a donation, kindly do so in cash (dropped into the school office) or by card directly into the PTA account. These donations inevitably end up benefiting NDPS pupils.
